

IC OLCESE – Plesso Pergolato A.S. 24/25

Scuola Secondaria

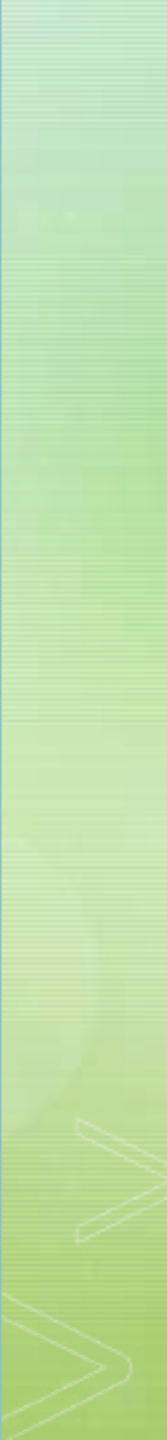

A cura delle Prof.sse Malgrande e Santoro

ATTIVITA' LABORATORIALI

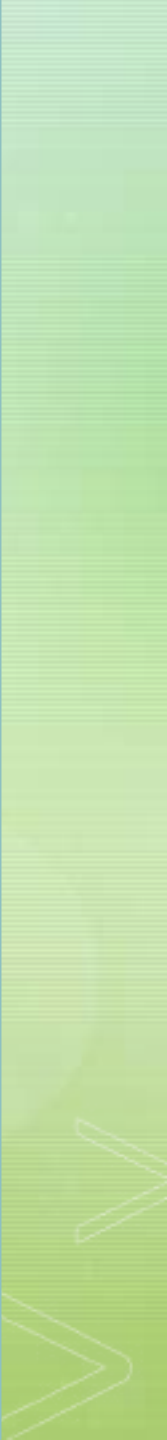

Le classi anche quest'anno
si sono dedicate alle varie
attività laboratoriali proposte,
sia per le lezioni di Matematica
che di Scienze.

Ecco qui un breve excursus delle attività
dei ragazzi.

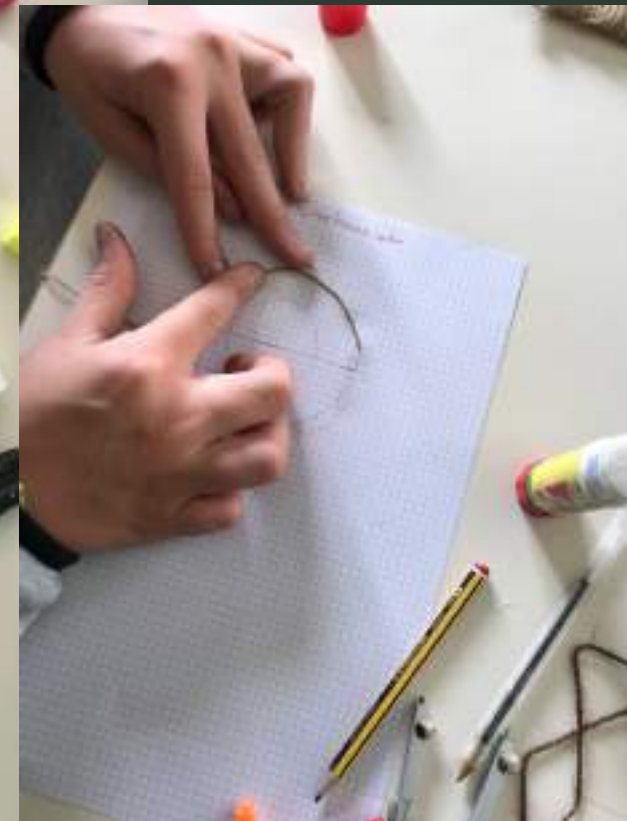

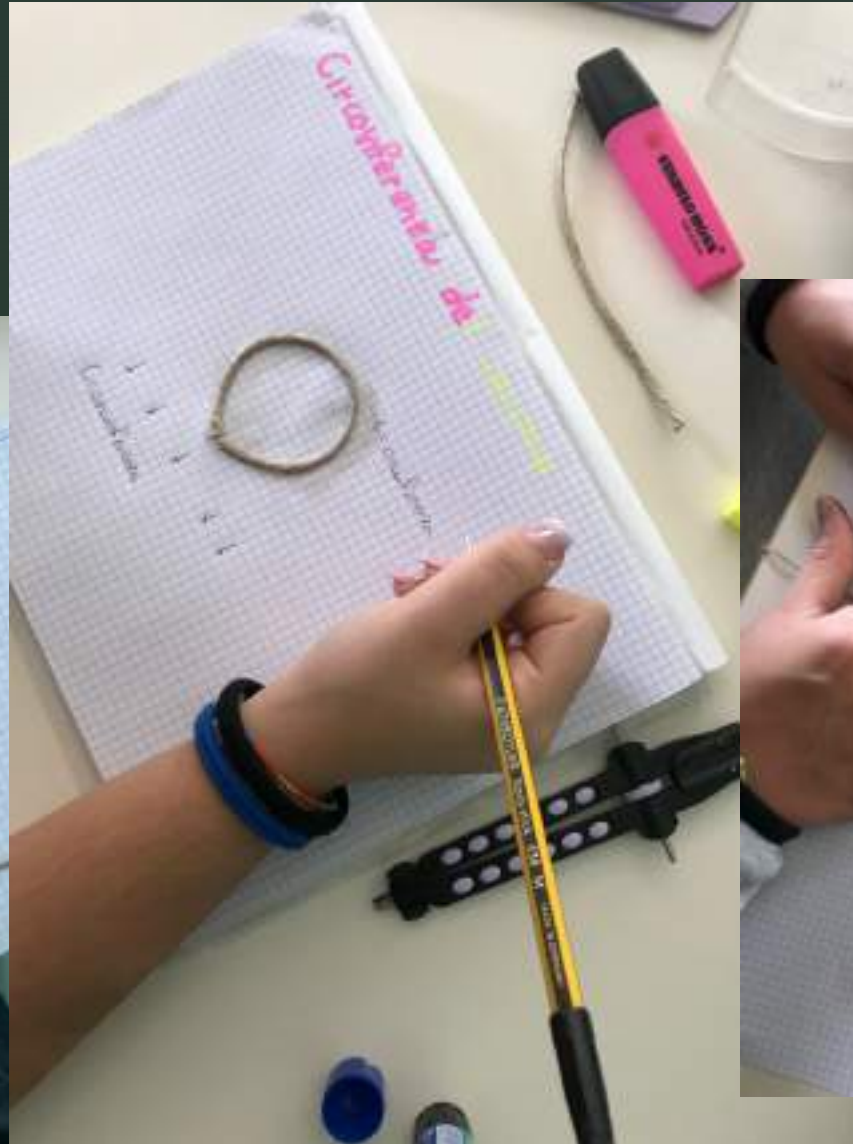

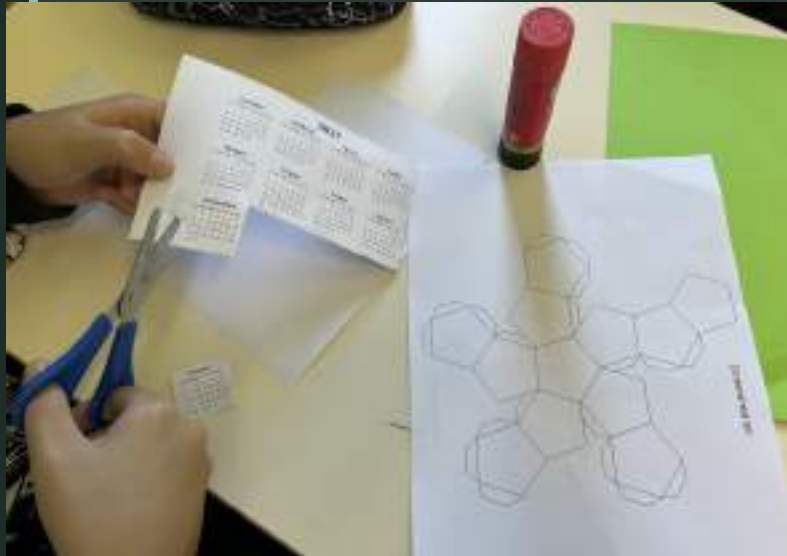

CLASSI 3D e 3E

Laboratorio di Geometria

Laboratorio di Geometria

Laboratorio di Scienze le rocce allo stereomicroscopio

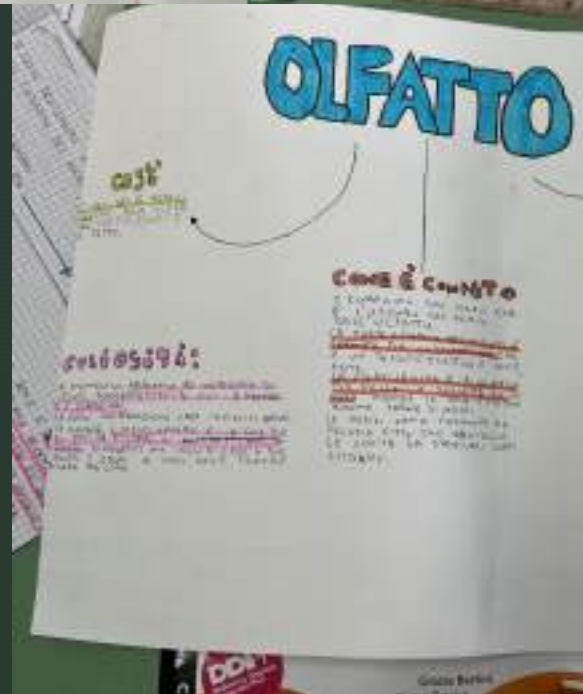

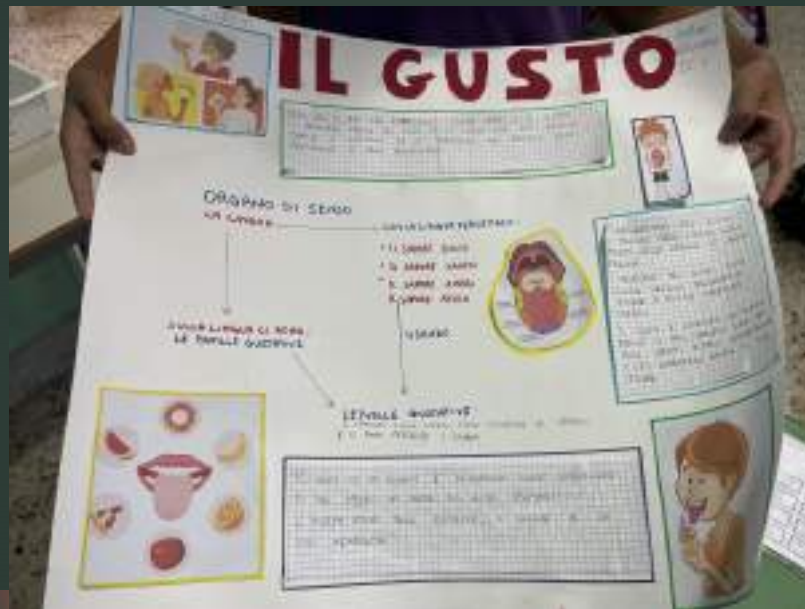

Laboratorio di Scienze: la densità

Laboratorio Ikigai

Gli organi di senso

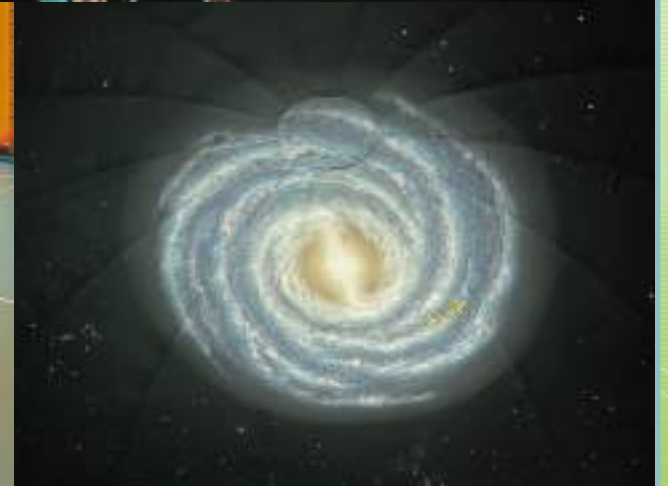

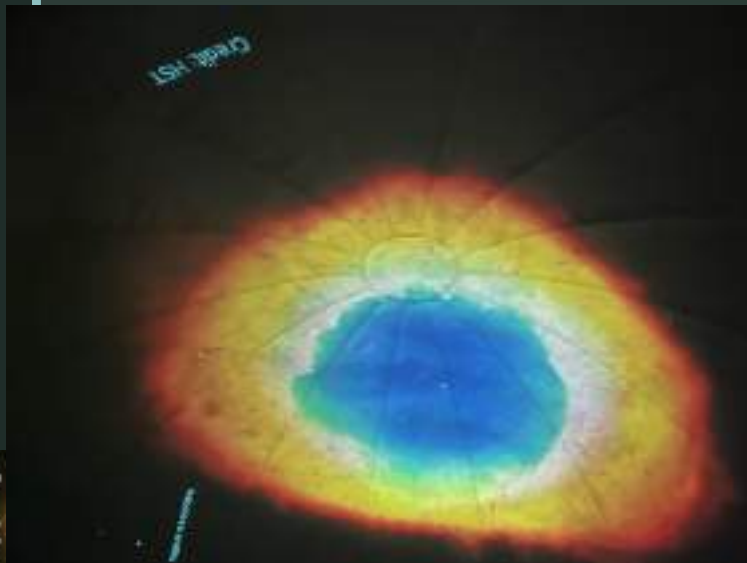

La Struttura interna della Terra

Il Principio di Archimede

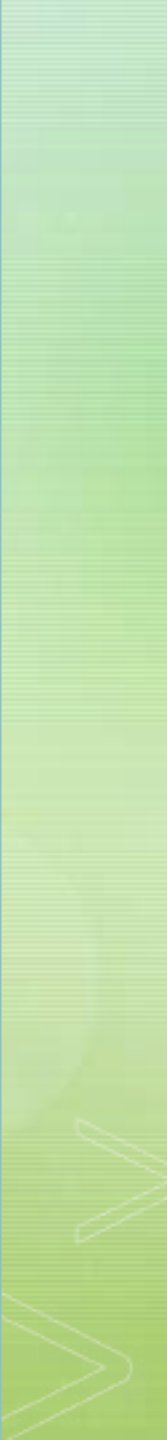

Il Planetario Itinerante dell'ATA

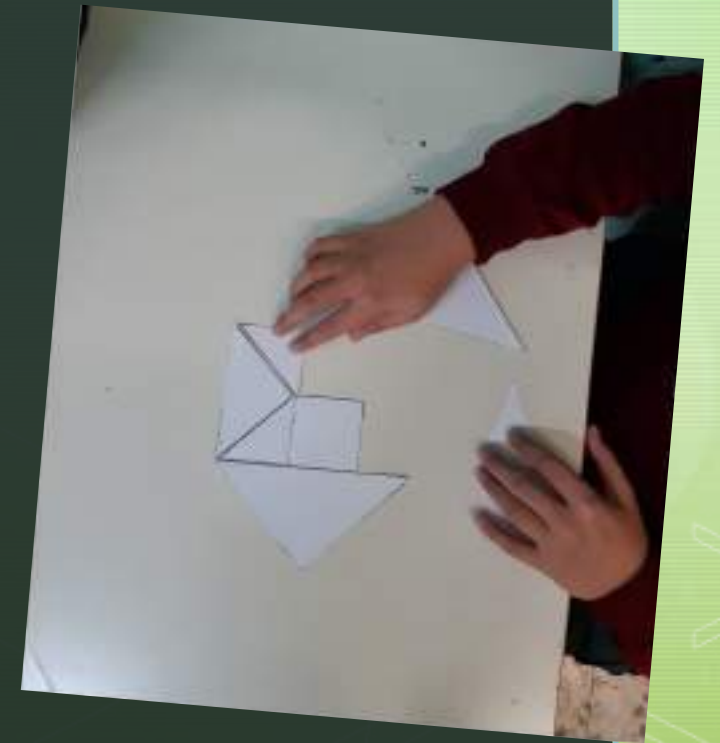

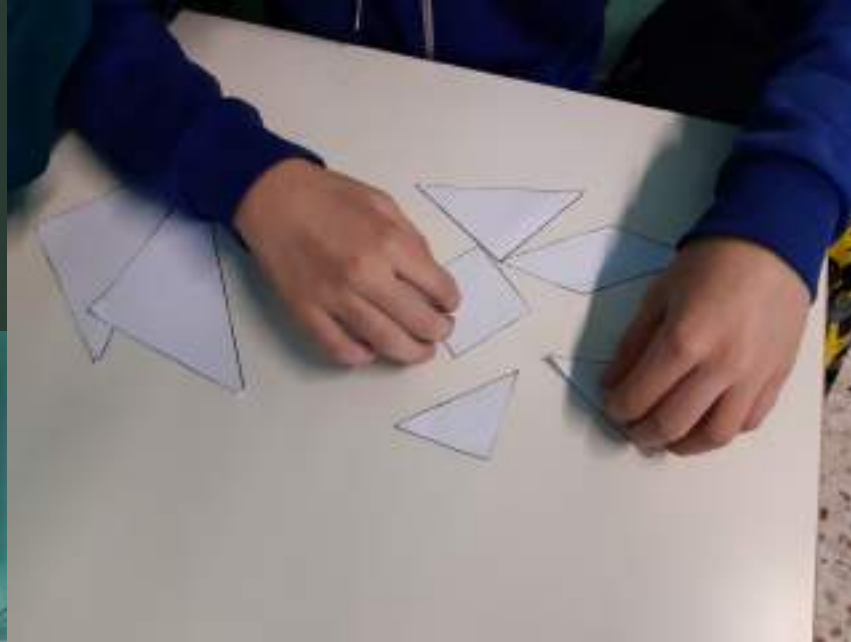

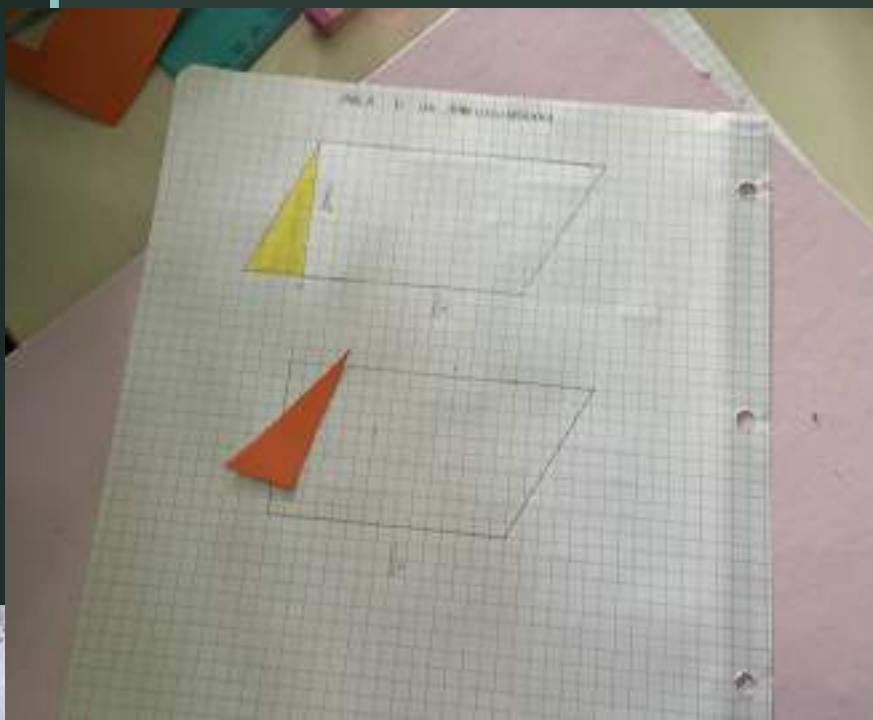

CLASSI 2D e 2E

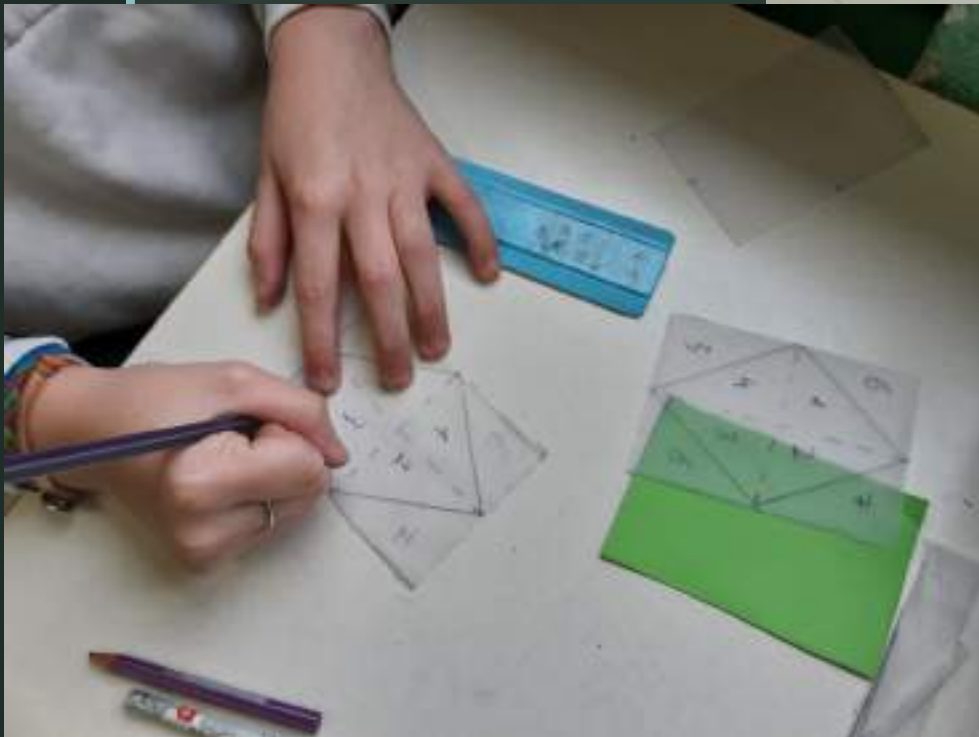

Laboratorio di Geometria

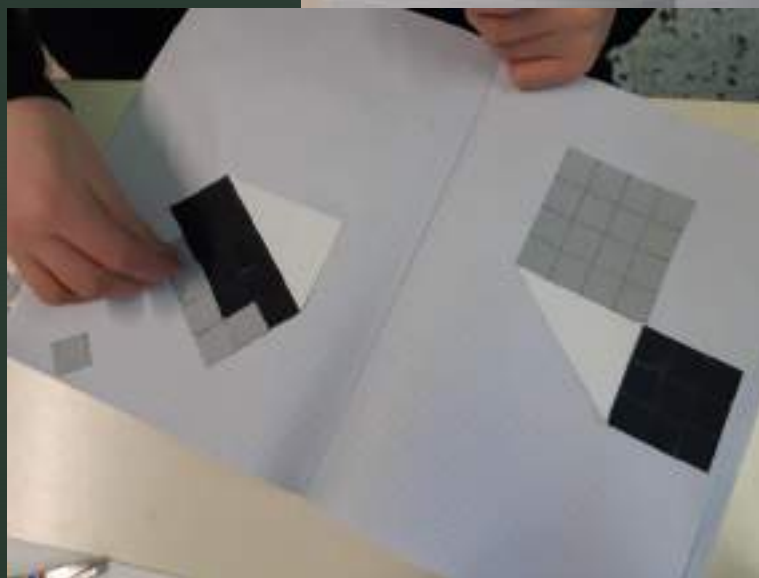

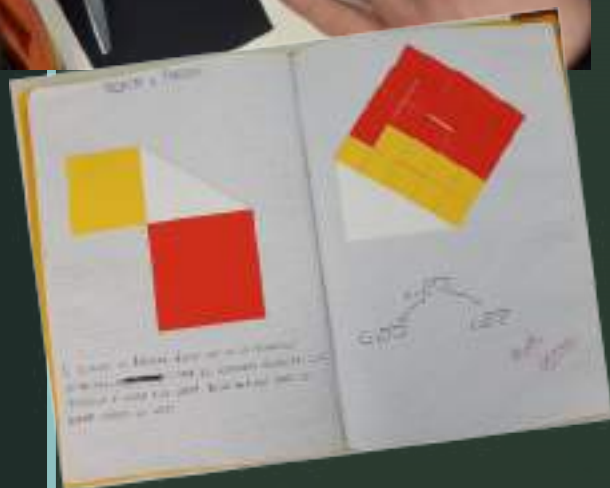

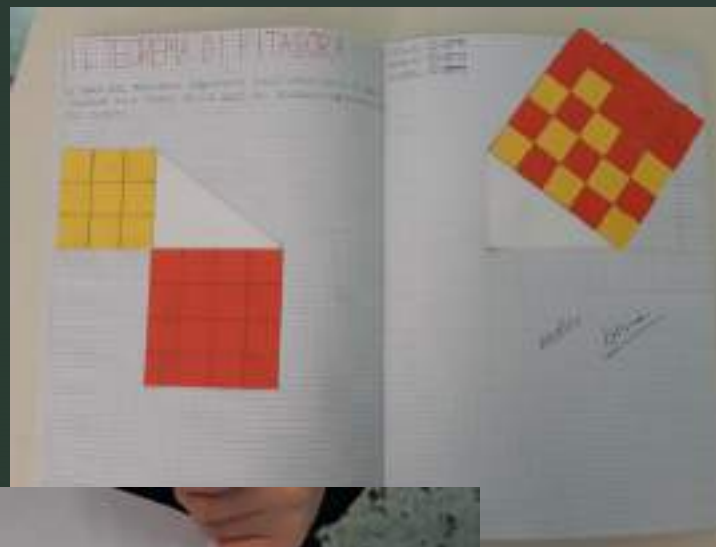

Laboratorio di Geometria

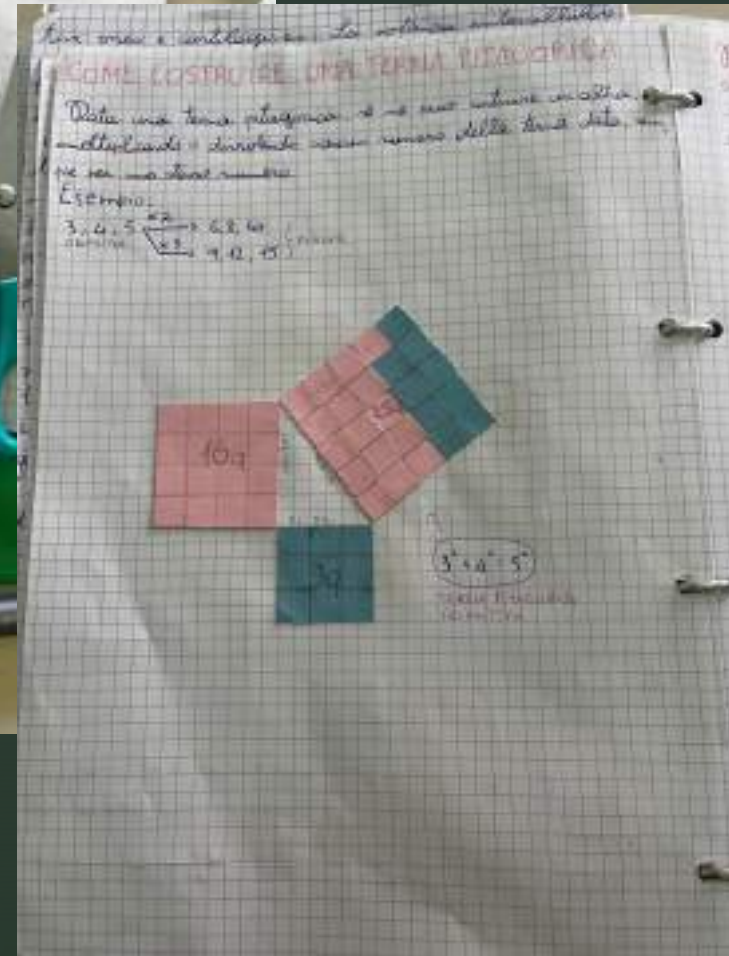

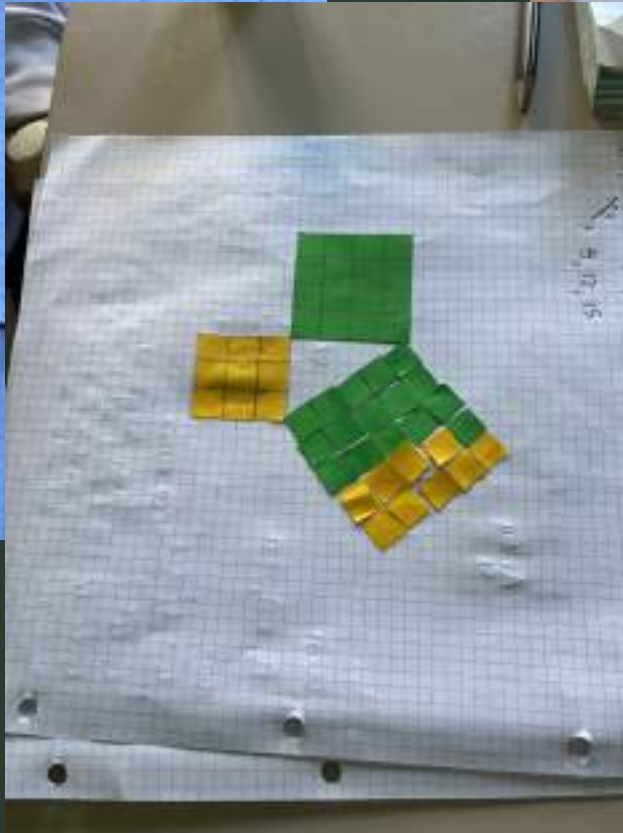

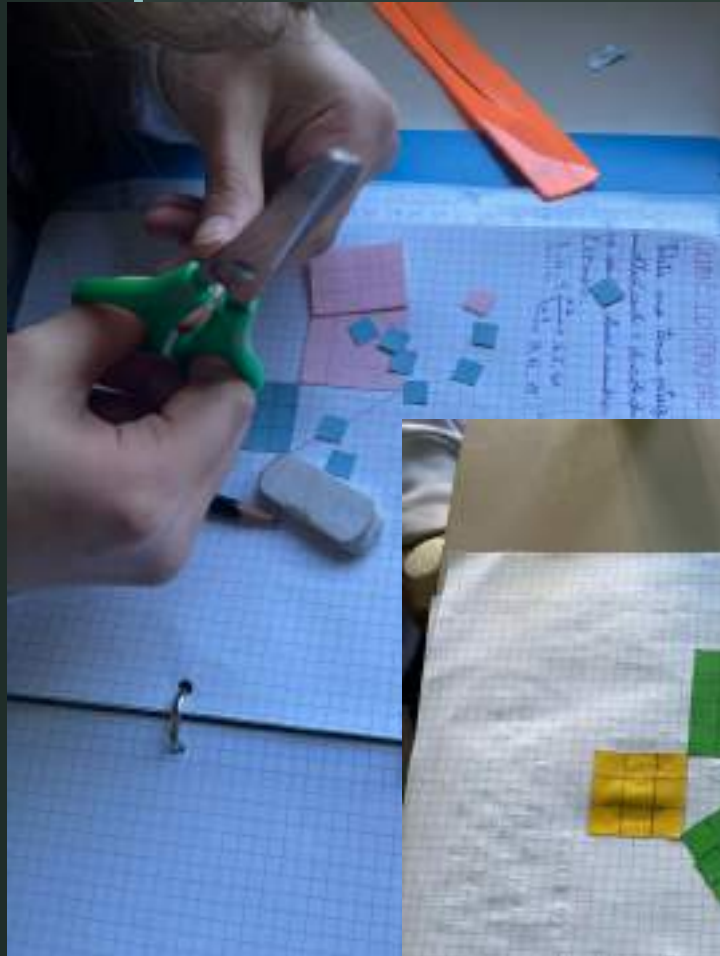

Laboratorio di Geometria

Laboratorio di Geometria

Laboratorio di Geometria

Laboratorio di Scienze

Modellino dei polmoni

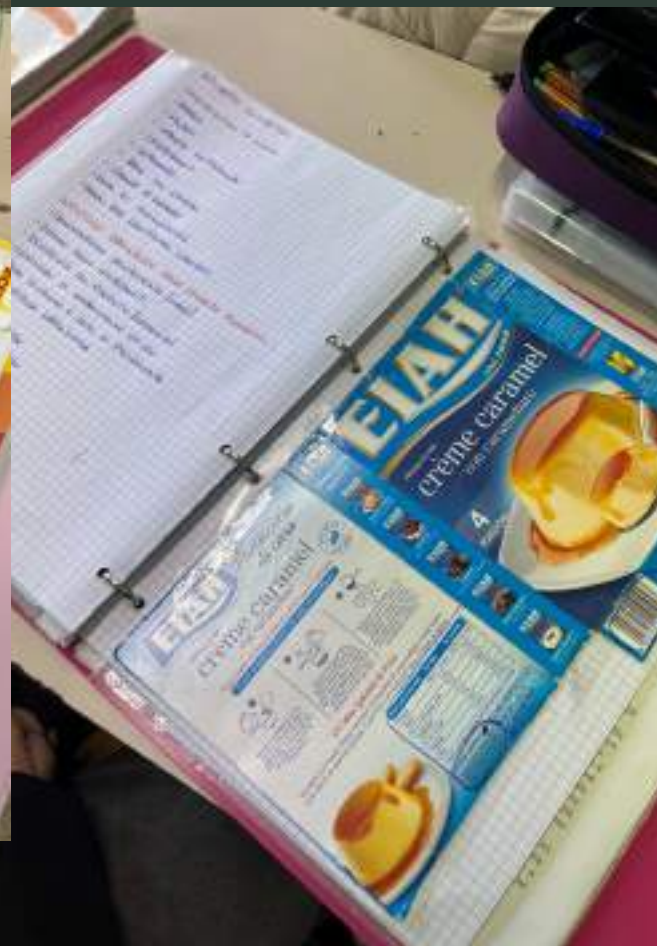

Le ossa

Reazioni chimiche e pH

Laboratori di Educazione Civica: Etichette Alimentari

Laboratori di Educazione Civica

Laboratori di Educazione Civica

Classi II e III: Coding, Gare di Matematica e di Informatica (Bebras)
